Dear Sir:

**REQUEST FOR CORRECTIONS TO PATENT APPLICATION PUBLICATION**

Applicants noticed that the third inventor's address was incorrectly indicated in the Patent Application Publication that was published on April 28, 2005 for the above-identified patent application. The correct address is --Koga-gun, Shiga-- as indicated in the attached Declaration and Power of Attorney newly executed by the inventors. Presently, the address is indicated as "Koga-gun, Shiag" in the Publication. Please make this correction in the Patent and Trademark Office and issue a corrected Patent Application Publication. Please charge any fees for this request to our deposit Account No. 11-1410 if necessary.

Enclosed in support of this Request are the following:

- (X) A copy of the Patent Application Publication published on April 28, 2005 (face sheet only).
- (X) Declaration and Power of Attorney executed by the inventors for replacement.
- (X) Return prepaid postcard.

ABSTRACT

The present invention provides radioprotective materials and products produced using the materials, the materials and products being easily usable for blocking the effects of radiation, exposure to which occurs unconsciously in daily life or in the working environment. Specifically stated, the present invention provides radioprotective materials comprising at least one member selected from the group consisting of collagens, keratins, silk fibroins and their derivatives. The present invention also provides radioprotective products produced using the radioprotective materials.
